Open 1 What helped you learn in this course?

The instuctor

Margret was the greatest instructor I could ask for. She was great with explaining projects and doing demonstrations.

Very helpful and friendly I would recommend her class to everyone beginning ceramics.She is very flexible and understanding when you need help!

Going into this course I had never even touched clay, coming out of this course I feel like if I chose to I could major in it. Margaret was extremely friendly and helpful, as well as all of the MFA students in the area.

working on projects

Seeing a great many examples and ways to do things was helpful.

Open 2 What changes would improve your learning?

more time to work with the wheel

more time on projects

More time to practice on the wheel would be helpful. Some students caught on right away however others struggled.
